	AR8P-1.25/2.0/5.5, AR8WP-1.25-2.0/2.0-5.5						1.25/2.0/5.5	-	-

TypeS

Part number	S2, S5, S7P
Applications	standard type
Object	Copper wire, Soft iron wire
Section of blade	Single blade

Laminas Standard

Laminas Metal Duro

TypeCR

Part number	CR6, CR8P, CR120
Applications	Clipper type. Cutting position comes at the center of the body diameter.
Object	Copper wire, iron wire
Section of blade	Single blade (CR120: Double blade)
